Yacht Description

The addition of the large open-view window in the master cabin is an important and ambitious optimization of space that makes the 660 a seemingly

larger boat. Elegance and versatility of use characterize the small sofas and tables on the flybridge and lower deck, where a teak table able to seat up to 12 guests has also been added. The revolution of all spaces is clearly visible as soon as one opens the balanced door to the lounge area where an open space area permits to have all the spaces in one: the American style galley, completely separable thanks to the transparent sliding door, face the salon as the pilot house which is in direct communication of the living.
