### Yacht Description

She was built at their Kaohsiung, Taiwan shipyard in 2010 to a design by Jack Hargrave, and last refitted in 2018. Her exterior and engineering were

designed by Hargrave, and her luxurious interior is the work of Yacht Interiors by Shelley. Her interior is stylish yet comfortable. The open-plan salon has high ceilings, and is decorated in an ivory, oyster, amethyst and platinum color palette against high-gloss cherry wood. The salon offers ample seating and a state-of-the-art entertainment center. The bar has an impressive floating glass top above stainless steel supports and grey marble. The floating glass above intricate cabinetry is continued in the formal dining area with seating for 8 guests. High Rise's exterior has beautiful teak decks, and al fresco dining areas on both the aft deck and the flybridge. The hub of outdoor entertaining is the flybridge with its ample seating, full bar, large barbecue grill, six-person Jacuzzi, sun loungers, and an electric sunroof for shade as desired. It also has enough space to carry a 15' tender and a 3-person jet ski.
