Yacht Description

Available with an open flybridge or enclosed Sky Lounge, the Hatteras 80 is a luxurious Eurostyle motoryacht. The Hatteras is constructed on a low-

deadrise hull with propeller tunnels to reduce shaft angles for improved thrust and less draft. The accommodations are as extravagant as they are spacious. Dominated by a vast main salon with hardwood flooring and indirect lighting, a formal dining area for eight is forward, opposite a huge country-style galley to port with extensive granite counters. Enjoy cruising the open waters with luxury and comfort at the same time.
