### Yacht Description

Delivered in 2014, the 95' Lazzara ASHLEY is the flagship in the popular LSX model fleet. No expense was spared in the custom building and outfitting

of ASHLEY. From her sleek lines, custom silver metallic paint job, and carbon fiber cosmetic accents throughout, ASHLEY is a unique combination of U.S. build quality and aggressive styling more commonly found in European brands. Accommodation is for eight guests in four well appointed cabins consisting of a master suite, port and starboard VIP suites and a forward VIP suite, all with entertainment systems, ample storage and full en-suite facilities. The salon has vast windows allowing natural light to flood in and has LED overhead lighting, high gloss wood panelling, comfortable seating, a wet bar and an entertainment system. Forward is a galley and a dinette with casual seating for eight. The aft deck is ideally equipped for al fresco living with a teak floor, wooden table and a U-shaped seating arrangement.
