### Yacht Description

Sea Ray styling has always been on the “racy” side — the boats reminding one of a Doberman straining against a leash, just aching to be turned loose. The foredeck is home to a cleverly designed lounge area, adding additional outdoor social space for sun worshipers. While Sea Ray has certainly upped its game in the luxury and onboard convenience categories, it has not forgotten its breeding and background. The new L650 is a powerful, high-speed, solid performer with an intelligent array of luxury features.
