Yacht Description

Only 1 of 2 currently in the U.S., this sleek 2019 55' Tecnomar Evo is the only way to cruise around Miami in style! An absolute head turner, the yacht

has plenty of large areas all dedicated to the pleasure of navigation, relax and sunbathing, either aft, forward and within the cockpit, where the inlaid teak cockpit table finds place, as a true piece of sculpture. The deck forward is fulfilled with cushions and it gives a sunbathing area normally found on much bigger yachts. The all interiors feature subtle details and precious materials, which all together give a feel which is hard to explain and to match.
