### Yacht Description

Smooth, powerful and multifunctional A superior sports boat that can also function as a superyacht tender or a chase boat. The VQ40 is a new thrilling

design from Vanquish which brings power and excitement to a wider audience. It is renowned for its smooth performance and ease of handling. The hull, designed by New Zealand based Bakewell-White Yacht Design, enhances acceleration, wave riding skills and maneuverability. Able to be equipped with a wide variety of engines, this boat can easily be customized to suit your requirements. The standard outboard version ranges from twin Mercury Verado 225 hp engines or the upgraded Veloce model with triple 400hp enabling speeds over 65 knots which is more than enough for waterskiing. If cruising and easy swimming and snorkeling access off the aft deck is more your style, then the inboard propulsion options are also available.
